

Mobil Delvac 1200 Series

Commercial Automotive Engine Oil

The Mobil logo consists of the word "Mobil" in a blue, sans-serif font, with a red arc above the letters "i" and "l".

Product Description

Mobil Delvac 1200 Series are monograde engine oils intended primarily for the lubrication of diesel engines (normally aspirated and turbocharged) and gasoline engines, particularly in heavy duty service. They are formulated from high quality mineral base oils and an advanced additive system to provide the superior performance required for high output combustion engines. They contain an effective balance of detergents and dispersants to minimize the formation of sludge and deposits, retain alkalinity (TBN) and reduce wear.

Specifications

Recommended for use in applications requiring API SF/CF/CF-2.

Benefits/Advantages

- Improved engine cleanliness.
- Good protection against wear and corrosion.
- Longer periods between engine overhaul.
- Extended oil drain intervals.
- Reduced oil consumption.
- Reduced inventory costs for mixed fleet operations.
- Lower maintenance costs.

Application

Mobil Delvac 1200 Series are recommended for the lubrication of diesel engines, both normally aspirated and turbocharged, of commercial vehicles and contractor equipment, and for gasoline engines for passenger cars, commercial vehicles and farming equipment in heavy duty service. They may also be used in gear and hydraulic applications if the builders permit the use of engine oils.

Typical Properties

Mobil Delvac	1240
SAE GRADE	40
Viscosity:	
cSt at 40°C	159.9
cSt at 100°C (min)	14.8
Viscosity Index	101
Sulphated Ash, wt%, max	1.2
Total Base Number (TBN) mg KOH/g	8.7
Flash Point, °C (min)	256
Pour Point, °C (max)	-15

Health and Safety

Based on available toxicological information, this product produces no adverse effects on health when properly handled and used. No special precautions are suggested beyond attention to good personal hygiene, including laundering oil-soaked clothing and washing skin contact areas with soap and water. Additional health and safety information on this product, including a Material Safety Data Bulletin, is available on request from your local ExxonMobil company.
